Linda,

Well, it's really too bad that this year is coming to a close! I've really had a ball in the past 2 or 3 months. I'm sure glad I started singing in the church choir or we might never have become such good friends!

Linda, I want you to know that I think you are the kind of girl who makes a true friend. It seems like you're always trying to be helpful to someone during "problem" times! I want to wish you the very best in college and afterward. Stay the kind, sweet & understanding person you are now and your problems will be gone!! You deserve the very best from life!

Dave:

Hi,
Well, how this is sure
last year here - I sure hope you won't forget me after we've been let out - We've been through an awful lot together - fun, laughter, riots, rummies - but we came out on top and are still good friends. You have a tremendous personality and such a cute smile. (Even with your glasses!) I hope we can be friends for a long time to come. You are a swell gal and I hope you get everything in life that that (I stutter) you want. Best wishes and always remember,
Joan Ballard

Dear Linda,

Well we've really had a year didn't we?! Without your shoulder to lean on I would have gone mad!

Linda, you are really a sweet girl. I am so very glad to have gotten to know you well... It's too bad that we are such good friends - because otherwise I really would have fallen for you in a big way.

Keep smiling, Linda, and remember me after you leave, won't you. I mean it when I say that you are $\frac{3}{2}$ sweet

RUSKIN'S ASSISTANT PRINCIPAL

Mr. Douglas Lawrence has served the Ruskin school district in varied capacities for seven years. Many of us knew him as a fine, outstanding teacher, who enriched the day of each of his many students. Then, at the beginning of the second semester of 1961, he stepped into the position of assistant principal. He not only has helped our principal, Mr. Steck, but he has guided the student body toward higher goals, to make this a model school. His tact, friendliness, and sincere interest in the students have endeared him to the heart of Ruskin. Our sincere thanks and the dedication of this, the 1962 Mirage, go to Mr. Douglas Lawrence.

board of education

Each of these men has made a contribution to what our senior high school is today. Their foresight has resulted in a well-balanced and extensive school program and in an excellent modern building and equipment. In 1902 Ruskin's enrollment was 33; today it is 1,454. Thus vision has become reality through the years.

LEFT TO RIGHT: Lyle Schultz, Donald Newkirk, R. E. Rhoades, Joseph Nesbit, Assistant Superintendent of Schools; Tom Foraker, Superintendent of Schools; Billy Wall, President; Jane Leavens, Secretary; A. A. McElroy, Vice-President; R. C. The Mirage Staff, in the name of the student body, wishes to express appreciation to you for your part in the progress of our school district. You have earned the respect of all those associated with you, and we offer to you our best wishes for continuing success.

BLAINE E. STECK
Principal

We extend our sincere thanks to you for your ever-guiding faithfulness to Ruskin High School. Your friendly attitudes have warmed the hearts of students and of faculty, and we will always remember your willingness to help.

Dear Lisa,

We're cutting a lot of fun together these past years. You're a great gal and I'm so glad we've been friends. You've got a lot of talent like - bird - a real party, one - la-la-la and all that stuff I and brains too. I admire you for your beautiful voice - I really do love it and for being so willing to share your talent with others - especially like at church and all. You're a real sweet gal and I wish you Gobs of love, peace, and happiness, and success.

During our four years here at Ruskin, many doors have been opened for us, the graduating class of 1962.

We began our high school career in the fall of 1958, which was the first year our present building was used. Since then, Ruskin has purchased many pieces of modern equipment, completed the first floor rooms, and added a wing for music and shop classes. The staff has been increased by one assistant principal, two counselors, and twenty three teachers.

Ruskin has been given a triple A rating and accredited by the North Central Association of Secondary Schools and Colleges.

Many of the members of our class helped organize some of Ruskin's finest clubs--including FTA, RHALS, Esthetics, El Circulo Espanol, Rendez-Vous Francais, and the Science Club. We have also helped represent our school by taking part in district and state contests, playing in the Golden Eagle Band in the Rose Bowl Parade, and entering athletic competition.

We seniors--through wonderful co-operation, talent, and hard work--have tried to present enjoyable class assemblies each year. Our themes have been Television Variety, South Pacific, Roaring Twenties, and a talent show at Fort Lauderdale, Florida.

We are happy and proud that Annemor Rygh, Ruskin's exchange student, has been able to share our senior year and graduate with us.

When we are in college, working, and founding homes in the future, we will remember Ruskin, the things we have learned in her classes, the friends we have made in her activities, and the fun we have had here throughout high school.

How are you ^{John Alsh} fabulous singer? ^{Richard Faulkner}
my, but aren't ^{Dale Kays} ^{Walter Zumwalt} you great?

Actually you're the great one.
You're such a dummy! You have
such determination and fortitude.
It's people like you that will
get us out of a ^{hand} ^{trouble}.
(I hope so - somebody's gotta enter!)
Linda, I'd like to

Linda - We never have had the chance to be best friends, but I am so glad we are at least good friends, because you are so much fun to be around and just "sharp" as everything. I want to sincerely wish you all kinds of happiness and good things in the coming year. I hope you have a chance to get together this summer and if you ever come around N.G. next year be sure to come and see Jim, Becky and me. We will really have a good time. Much, much happiness, Linda! SHARON BARBER '62

MRS. LANGFORD, Counselor

Counselors spend many hours working out

schedules before, during, and after enrollment. Seniors registered for the 1961-'62 school year August 22, followed by the juniors on August 23, sophomores on August 24, and freshmen on August 25.

This years 1500 students exceeded last year's by 325. Seniors enrolled total 217; juniors, 276; sophomores, 376; and freshmen, 593.

Linda,
I have really
enjoyed knowing
you these past
few years. You are
one of the nicest, sweetest
girls I know. You have really
made my school a lot more fun
with you. I wish you all of

ANNE KATHRINE RYGH

Norwegian Garland Cake was served at the tea where school personnel and students met Annemor.

our exchange student

Ruskin's first foreign exchange student, Anne Kathrine Rygh, known as Annemor, is from Drammen, Norway. She is one of 23 foreign students in Kansas City sponsored by the schools this year through the American Field Service.

Annemor lost no time in adapting to our ways of life. She was welcomed so warmly by students, faculty, and administrators that she felt at home immediately. Her bubbling personality has won her many, many friends where ever she goes.

"I love to hear Annemor talk," is often overheard by students. Even though she has studied English six years, she still has a characteristic accent that everyone likes to hear.

Annemor's excellent scholastic abilities have made her an honor roll student. She likes her subjects and studies hard.

In addition to her family in Norway: her father who is a doctor, mother who is a nurse, and 15-year-old twin sisters, she has acquired an American home with the G. R. Warrens. She now has her first brother, Don; two new sisters, Anne and Ellen; and a new "Mother and Daddy."

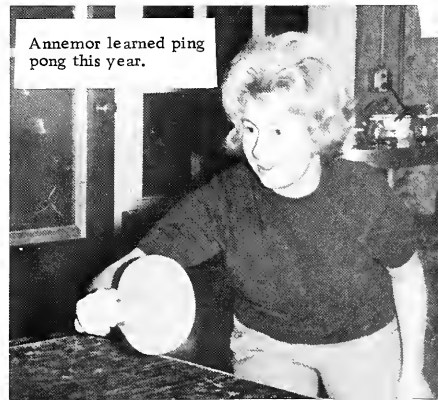

"After talking with the other foreign students, I wouldn't trade places with any of them," Annemor has often said. "When I left Norway, I expected this year away from home to seem very long, but I am having such a wonderful time here, that my departure is approaching far too quickly. Now I am already dreaming of the time when I will come back.

Hatching chickens was her science project.

Black hair was the requirement for her part in the school play.

Annemor learned ping pong this year.

Too much passing by the opponents was the down-fall of the Ruskin Eagles as they were defeated 13-7 by the Fort Osage Indians on the Homecoming, Friday, October 20.

Queen Becky Hombs was crowned during the half-time activities. She reigned over the Homecoming dance held in the cafeteria following the football game. All students and alumni of Ruskin were invited. Music was supplied by Les Copley's band and the decorations by the Senior Varsity Pep Club.

The End!

"Night Must Fall," the all school play presented on November 16 and 17, was a great success. Both the matinee and evening performances were well attended. Perhaps this was partially due to the suspense created by advance publicity.

The play cast and technical crew worked very hard but enjoyed it, and their work was well rewarded.

Miss Scott, the director, did a wonderful job and it was truly appreciated by both the cast and crew.

Counseling

College Night

Every day in the lives of our counselors is filled with a three-fold purpose. They listen to our problems and help us solve them, supervise the class-wide testing and College Night, and "iron out" the wrinkles to make our school year successful. To do this, they must start their work during the summer with the planning of classes and grouping.

Mr. Johnston, who is serving his sixth year as a Ruskin counselor, helps the freshmen. Mrs. Langford, who advises juniors and seniors, is serving her third year in the capacity of counselor. Mr. Murry, in his second year, is now serving as a full-time counselor to the sophomores.

Without these three "peacemakers," the "Ruskin machine" would surely not run as smoothly as it does. They act as oil in keeping friction to a minimum among teachers, parents, and students. We are grateful for their assistance and friendship.

The National Honor Society is a select group of students who have shown outstanding character, service, leadership and scholarship. These qualities are represented by the letters CSLS on each side of the emblem--a flaming torch superimposed on a keystone. A committee of twelve high school staff members selects only 15 per cent of the seniors, 10 per cent of the juniors, and 5 per cent of the sophomores for this honor each year. At present there are 79 members.

Quill and Scroll, the international honorary society for high school journalists, is chiefly interested in recognizing the outstanding work of an individual who works on a school newspaper or a yearbook that is considered of sufficient merit by the executive council. r club

The R Club is open to all boys who have received a letter for outstanding achievement in football, basketball, and track. It is the only club at Ruskin as old as the school itself--60 years this year.

The R Club's activities this year included selling car stickers during football season to raise money, giving a dance last spring, and interesting initiations of new members. This club has contributed much to the tradition and well-being of Ruskin.

ORIGINAL ELEVEN MEMBERS GROW INTO TWO LARGE PEP CLUBS

Everyone has heard the one-hundred members and cheerleaders of the Pep Club cheering at the games and inspiring the team to victory. The girls set an example for the whole student body to follow.

Ruskin's first Pep Club was organized during the fall of 1928 by Miss Mullinax, social science and dramatics teacher. The squad was composed of eleven students. An all-white uniform composed of a long-sleeved shirt, slacks, and a sailor hat was worn by all the members.

The year the squad had to be split into Senior and Junior Varsity divisions. The senior squad's uniform is a royal blue two-piece suit with a four-corner white blouse, white socks, gloves, scarf, and shoes.

Besides putting signs up on game days and decorating goal posts, the Pep Club plans all the pep assemblies that are held throughout the school year and also the Homecoming Dance during the football season.

Not only has this club given the girls an active part in school life, but it also has doubled school spirit.

The new and very active Science Club has blossomed into an interesting organization. The members participated in a Ruskin High School science fair that the club as a whole sponsored. These student scientists traveled to a meeting of the American Rocketry Society in the World War II memorial. We predict a bright future for this club.

The Esthetics Club has been busy this year with a variety of activities. In the fall, they put up in the cafeteria a display of work from the art department. Christmastime was kept hectic with work on the window, and in January they sponsored and put up a display of prize-winning photographs sent around the country by the Kodak Company.

The Club's big spring activity was co-sponsoring, with the Rendez-Vous Francais, the Beaux Arts Ball, held on March 17. At the beginning of each semester the Club initiated new members. They also visited the Nelson Art Gallery in February and took a sketching field trip. It was altogether an active and successful year.

The Vocal Music Department has grown right along with Ruskin. It now numbers 475 members, making up the freshman-sophomore choruses, Boys' and Girls' Glee Clubs, Concert Choir, Madrigal, and various ensembles.

The freshman-sophomore choruses, 395 strong, assure us of continuing excellence in the future.

The Boys' and Girls' Glee Clubs entertained us in assemblies and competed at contest.

The Concert Choir is a constant source of pride to Ruskin. The carefully chosen voices mold into a melodious unit under the direction of Mr. Tarry. They practice their "teamwork" daily, and it has been evident in their performances in assemblies, Christmas Vespers, choral concerts, Baccalaureate, Commencement, and contest.

The Madrigal group and other ensembles are made up of voices taken from the choruses and choir. They meet after school to polish their style for contest, assemblies, and other engagements.

The success of our Vocal Music Department is largely due to the instruction, assistance, and direction of Mr. Fred Tarry. He gives generously of his time to write a tuneful chapter in each Ruskin year. Also, for the first year Ruskin has a full-time accompanist other than a student. Mrs. Janice DuVall does a wonderful job of keeping our singers on key.

Our vocalists have lovely possessions other than their voices. They now occupy a music room in the new wing. Here they no longer have to share facilities with the band, for they have a spacious room expressly for them.

Ruskin is proud of its talented singers, and rightfully so, for they have proved themselves competent throughout the year.

The vocal music department has three regular extra-curricular groups meeting each week: the Girls' Glee Club, the Boys' Glee Club, and the Madrigal Singers. The boys' group is open to any boy in school while the girls are selected by audition, a total of forty being allowed into the group. This year marks the fourth year for several members.

The Madrigal group is selected by invitation of the director and has been in existence for three years. Originally a group specializing in sixteenth, seventeenth, and eighteenth century music, the group has changed its outlook to more popular styles, and has revised the membership to ten boys and six girls.

Soloists and other ensembles are selected in advance of the music contests, and are trained particularly for participation in those events. However, it is also established that the skills acquired in singing in a small group contribute to the skills used in singing in a large group. Thus solos, ensembles, and glee clubs all serve the purpose of exposing the students to musical styles, techniques, and the satisfaction of creating a musical experience.

golden eagle concert

BAND OFFICERS, LEFT TO RIGHT: Lynn Howard, Librarian; Shirley Grissom, Secretary-Treasurer; Rollin Worth, President; Evelyn Goble, Carolyn McCune, and Terry Edwards, Librarians.

Throughout the year, the 76 members of the concert band worked hard perfecting music for the district contest at Warrensburg, the Conference Clinic at Blue Springs and the District Clinic at Warrensburg. The band also presented a winter concert and a Pageant of Bands.

The Golden Eagle Marching Band represented Ruskin at the Kansas University's band day, the American Royal Parade and the Warrensburg Marching Contest where they won the first place trophy. Closing the season, they played at the opening game of the Kansas City Steers.

The dance band, Men of Note, has played for several dances this year including one in Springfield.

This is the first year for the Blue Eagle Band, a group of underclassmen directed by Mrs. Seward.

Dear Linda

It sure has been fun this year. (More
than other years cause we're SENIORS!)
I'll never forget all the fun we've had
in English and Gym. I've gone through
a lot of things together and we're still
good friends. You are one of the
most friendliest, nicest, and you're always
happy. Don't forget me when you're

I've a real blast & a nut besides.
I've really had the good the times,
haven't we, especially last year. Let
I guess people change. I think I'll
probably see you this summer — so
have fun & try to be good!

Linda Bates,

Just because I'm a couple years late, we won't sweat it, will we? We have had so much fun, really more since we have been out than while we were in high school. You are quite a person you know — so glad you live close. We think alike in so many ways, it's nice to have you around. Instead of saying I'm glad you graduated from H.S. I can say I'm glad you are graduating after 2 years of college! Sounds great doesn't it! Must go ————— hope everything turns out with you and Jim just as you wish. We's quite a crew — you fit. Have to go do exercises with you, can't let you get ahead of me can I? Be good and have a good time always.
